Biblical Counseling Training

The Counseling Ministry of Paseo Baptist Church offers training for the individual who desires to improve his/her walk with God and for the one who desires to be used by God in the ministry of counseling. Those interested on personal development should enroll in BC 101 followed by BC 102. For those interested in the ministry of counseling should plan to take all three years of the training. The three year course begins with self counseling. The second year focuses on the principles of individual, family, marital, and premarital counseling. The third year is an internship which provides the opportunity for the student to be engaged in actual counseling under the direction of a certified biblical counselor.
